Due to increased popularity of the Razorbacks this year, and the fact they are ranked 4th in the nation, tickets sold very quickly. You can bring lawn chairs or blankets and sit by the fence or on the bleachers in the Hog Pen area. Purses cannot be any larger than 4.5" X 6.5" or they will **not** be allowed in the park. If you must carry a larger bag, it must be see-through plastic or vinyl and no larger than 12" X 6" X 12". They suggested using a gallon size freezer bag. Larger bags that security cannot see through will **not** be allowed to enter the park.
